York Township Elementary School welcomed Mr. Mike for an author's visit and assembly in the Spring of 2015, and it was truly "Dinorific".

Mike Sgrignoli was amazing to work with and customized the whole event to meet our needs. Our K-3 students had the opportunity to preorder books, which they received signed on the day of the appearance. We had 2 separate assemblies for grades K/1 and 2/3, and he adjusted the content to fit the age groups. The older kids LOVED the *Dinorific Scientific Name Game Show*, while he kept the younger ones' attention with poems, illustrations, and toy dinosaurs. The whole show was very interactive, fast-paced, and FUN. In addition, everyone – kids and adults – learned new dinosaur facts and names.

For a more personal experience, 2 students from each class got to enjoy lunch with Mr. Mike – they loved talking dinosaurs with him!

In preparation for his visit, our students drew their own dinosaurs – we created a mural with them and displayed it during the show.

Overall, Mr. Mike's school visit was a HUGE success. The kids loved meeting a local author and were impressed and inspired by his son's illustrations. They learned about dinosaurs and poetry, and everyone enjoyed the assemblies.

I highly recommend bringing Mr. Mike and his dinosaurs to your school!
