

You Really Dig Dinosaurs?

Then don't miss **Mr. Mike's Dinorific Scientific Name Game Show!** We're looking for fun-loving, dino-digging people to be contestants and to be part of the audience. **Children AND adults** are welcome to play!

Hosted by children's dino author **Michael ("Mr. Mike") Sgrignoli**, this event will have you talking dinos for the next 65 million years! What's more, since there are over 1,400 different dinosaur species, **no two games are ever the same!**

Whether you're a true "dino expert" or your family just loves a good prehistoric time, everyone will love **Mr. Mike's Dinorific Scientific Name Game Show!**

"It's so easy to play...yet so hard to win."
