Dear Mike,

Please excuse the fact that it took me so long to get these words to you. We are just wrapping up our Summer Reading Program, so I am now able to tend to things that have gone to the "back burner." Below you will find wording that you may use on your website if you see fit.

We had the absolute pleasure of hosting Mr. Mike's Dinorific Scientific Name Game Show at the Amelia Givin Library! Everyone in the audience, both kids and adults, not only enjoyed themselves but also learned a great deal about dinosaurs. I would highly recommend the program!

Sincerely,

A handwritten signature in blue ink that reads "Lisa T. Webber". The signature is written in a cursive, flowing style.
