Dear Mike,

I want to thank you for providing the Delaware Museum of Natural History exceptional educational entertainment at this year's Discovery Days event. Your knowledge about dinosaurs combined with your sense of humor and ease at public speaking made you a stand-out headliner for our four day event! Our guests enjoyed participating in your presentation and learning some fun facts (and fiction!) about dinosaurs.

I look forward to having you participate in our summer camps this year. I know that our campers will have a lot of fun learning from you. I hope that you will consider participating with us for other programs and events in the near future!

Sincerely,

Jill Karlson
