

To whom it may concern,

Michael Sgrignoli, affectionately referred to as “Dino Mike” amongst our Business Association members, has been such a pleasure to work with the last two years. It is so nice to see a dad who shares a passion with his son.

Mr. Mike keeps the audience interested with his dino game show, upbeat poetry performances, and much more. Community members enjoy his style of entertainment because it is “something different” and “not the usual stuff you see” at local small-town festivals.

“Dino Mike” is sure to make learning fun!
